## News You Can Use

### Schedule Changes and Additions

On many occasions, our coordinators at the venues get notified of cancellations on very short notice and it is very difficult to send out a mass email to everyone when such short notice is given. Please note that when we are notified, we will, as quickly as we can have an update on our website so check our website frequently for any cancellations. ### Free Week of Play

In appreciation of our members, SSFA Pickleball is again offering free play to all our members starting the week of December 18 – 22.

## Dennis Fetter

For the many hours you have spent providing our new members with lessons and instructing them in the game of pickleball. We have appreciated your dedication not only to pickleball but also your dedication to SSFA over the last years. Dennis' last day of providing lessons will be on November 29<sup>th</sup>.

## New to the Game

There is a new time and location for lessons/ instruction and play for our new players. **This session will be at Elim Church on Monday mornings from 9:45 – 11:45 starting on November 27<sup>th</sup>.**

## Court Safety

SSFA recommends our members to use appropriate eye protection and proper gym shoes when playing pickleball.

## Levels of Play at SSFA

SSFA will be using the term “recreational” and “competitive” play to designate the type of play that will take place at each facility. This is effective starting the week of November 20<sup>th</sup>.

Please take note of the level of play at each venue as well as the time frame it is offered. Please choose the days and times of level that best suits your skill.
