- ✚ Thank you to all those members who contributed to door prizes and to the volunteers for helping at the tournament. It made it so much fun.
- ✚ **WHAT A GREAT LOOKING GROUP**

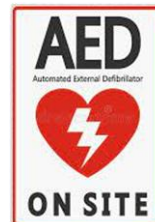

**Big shout out to those members representing SSFA in Kamloops for the National Games!**

## Pickleball Etiquette

1. You must call out the score, so your opponents can hear, before serving the ball.
2. The server must wait for the receiver to be ready before serving.
3. You do line calls on your side of the net and NOT the other side.
4. You may ask the opposition to help with a call, and then their decision is FINAL.
5. If you did not see where a ball bounced in or out on your side of the net – it is IN.
6. Welcome new players and play with weaker players every so often, they will be thrilled to have the experience.
7. Please do not sit in other people's chairs. Bring your own chairs.
8. Please do not sit on the BOX where supplies are stored or place water bottles and bags on the BOX.
9. During times when there is not organized play and you see others waiting, play your game until 11 and then switch out the court to others.

To keep us all safe, SSFA is sharing our AED machine with members of SPI during the summer months at Father Basil Markle Courts.

## Outdoor Play

- Outdoor play will continue at Father Basil Markle Courts until the first week of October (estimated based on weather and City of Saskatoon.)
- Indoor Play times will be announced in September.
