## A September Tournament

Your SSFA Committee is planning another Tournament for September. This tournament will be a fun tourney and our last one outside at FBM courts this year. **Stay tuned for information coming your way.**

## Volunteers Needed

- Do you have the skills to find out if there are grants or sponsorship opportunities available to SSFA for improvements to our courts? Can you lead a committee to aid in this investigation?
- If you have experience applying for grants or securing sponsorship dollars, let us know. We want to hear from you! Email us at [ssfapickleball@sasktel.net](mailto:ssfapickleball@sasktel.net).

Thank you to all those who attended the demonstration on July 24<sup>th</sup>. The AED is in the middle box (SPI Boxes) at Father Basil Markle Courts.

Also, thanks to those SSFA members that helped clean the courts on July 20<sup>th</sup>. We all appreciate your hard work.
