A Special Thank You..... One of our Saskatoon SSFA members (who does not want to be named) taught 'Introduction to Pickleball' to 10 classes at Tommy Douglas High School. WOW!

Safety First

For the maintenance of our venues and the safety of our members we strongly recommend wearing non-marking court shoes and glasses or safety glasses when you play.

Pickleball Humor

My opponent was not happy with my serve.

❖ He kept returning it.

My local pickleball store is having a sale on pickleballs.

❖ First come first served.

A pickleball walks into a bar....

❖ The bartender asks, "Have you been served?"

Why are fish no good at pickleball?

❖ They don't like being anywhere near a net.

My neighbor told me my dog retrieved a pickleball two miles from the nearest courts.

❖ Sounds Far Fetched!

Holiday Greetings from Your SSFA Pickleball Committee

What a wonderful year it has been with lots of fun times, laughs and new friendships made. We now are 467 members strong with upwards of 178 new members this season.

SSFA would not be able to operate if we did not have volunteers, so **THANK YOU** so much for all those members that step up to help. We truly have a fantastic group of people.

As a token of appreciation for our members, we are happy to announce the gift of free play for the week of December 19 – 23rd.

On behalf of your SSFA Committee we wish you and all those close to you a joyous holiday season and new year filled with happiness and hope throughout the coming year.
